## UC Regents Adopt Budget For 1960-61

\$113,898,947,  
Third of Total,  
Comes from State

LOS ANGELES (UPI) — The University of California Board of Regents has adopted an operating budget of \$161,350,684 for 1960-61. Two-thirds of the budget, \$113,898,947, is to be requested of the state Legislature when it meets in January. The remainder will come from student fees, federal aid, and donations.

**THE BUDGET**, approved by the regents when they met on the UCLA campus, is 18.4 per cent higher than that of 1959-60 and the amount to be requested of the Legislature is 13.4 per cent greater than the 1959-60 allotment. Dr. Clark Kerr, president of the university, said the budget is a "conservative estimate of the university's needs in light of demands by an expanding state for universities of the highest quality."

**PROPOSED ALLOTMENT** of the funds by campuses is as follows:

Berkely, \$42,597,395; U C L A, \$38,918,773; San Francisco Medical Center, \$19,038,715; Santa Barbara \$6,420,939; Davis, \$14,615,578; Riverside, \$7,003,935 and La Jolla, \$3,006,550.

State-wide administration offices (SAC) not included in any one campus budget, were allotted \$29,748,799.

**THE REGENTS** set aside a million dollars of the SAC fund for an experimental television plan to be administered by the adult program of the university extension service.

The four-point TV program is to include closed TV circuits on campuses so that lectures may be carried to several rooms. A similar circuit is planned to connect all of the campus sites to facilitate statewide lectures and educational programs.

**ALSO PLANNED** are public television broadcasts and an inter-campus network to be used for conferences and research problems.

Representatives of the Irvine Ranch, whose owners have offered to donate land to the state for a campus site in Orange County, presented their plan to the Board of Regents during an executive session.

**NO ACTION** was taken on the matter, however, pending further geological and climate studies of the area.

President Kerr said there are still "four or five" other sites under consideration in the Orange County area and no final decision was reached during the session.

## YULE HIGHWAY SAFETY DRIVE SAYS: 'THOU SHALT NOT KILL'

CHICAGO — The National Safety Council announced today a Christmas holiday safety campaign that will stress moral responsibility and appeal to every American to observe the commandment, "Thou shalt not kill."

"By moral responsibility," said Arthur B. Langlie, chairman of the Council's National Committee of Religious Leaders for Safety, "we mean simply this:

"MOTORISTS — AND people in their homes, too — violate one of the Ten Commandments when, through disregard for safety, they cause others to suffer or lose their lives."

"This," said Langlie, former governor of Washington and now president of the McCall Corp., New York City, "is the season for sober worship and family joy. It is also a time for honest thinking."

"It's a time for honest thinking about living a sound, full life and helping others to do so. This must surely include thoughts about driving your car — carefully and soberly."

"One sure and simple way to help make your holiday safe," Langlie pointed out, "is to do away with the office party which relies on the bottle for its fun."

"Take care of yourself and your family this Christmas," Langlie urged. "Above all, remember the Golden Rule. It will help you have a safe and merry holiday."

"Thoughtful, careful habits are wrapped up in the meaning of the Christmas season."

The Council's Christmas safety campaign will continue from Dec. 1 through the New Year's holiday. It will reach its peak, the organization said, from Dec. 21-25.

**THEME** of the month — long effort, which will emphasize the need for safety on the nation's streets and highways, is: "For a merry Christmas—make it safe!"

## BRIDE'S THE SAME —BUT SHE WEDDED A DIFFERENT GUY

STOCKTON-ON-TEES, England (UPI) — Pat Wilkinson's wedding was exactly as she planned except for the bridegroom. Two weeks ago Miss Wilkinson, 20, told Paddy Butler she had decided to marry Norman Murray.

Last Saturday Miss Wilkinson and Murray, 30, rented a reception hall, purchased the ring and scheduled the wedding for today.

The bride-to-be was unwrapping wedding gifts when she got a note from Murray.

"Cancel everything. I can't go through with it," he said. Murray had skipped town later revealing he was already married.

Butler, 25, heard the news, came running and told the weeping Miss Wilkinson "I've always loved you — marry me." She agreed.

## BOOK EXPLAINS NEWS SELECTION

By DONALD B. THACKERY  
United Press International  
STANFORD, Calif. (UPI) — How do the newspapers of the world determine which story to favor when two crises in world politics take place on the same day?

Part of the answer to that question is contained in a large (17 1/2 inches by 11 1/4 inches) book published today by the Stanford University Press.

**THE BOOK**, "One Day In The World's Press: Fourteen Great Newspapers On A Day Of Crisis," by Wilbur Schramm, concentrates on the play given by papers to the dual events of Nov. 2, 1956.

On that day, the Soviet Union sent troops into Hungary to crush what had seemed to be a near success by revolutionists in that country. And on the same day Britain and France were standing by the Suez Canal to land troops in the face of almost worldwide condemnation of their actions.

Either situation could have triggered World War III.

## Give--Without Delay

Although the "United Fund" plan has proven to be a success in many other communities — particularly the large cities — it did not work out successfully in Palm Springs. The 1958-59 campaign, in which several of the national agencies joined, was a long, drawn-out affair. None of the participating agencies were happy with it; for a time it looked like the drive would be a dismal failure.

There's a reason why the United Fund plan did not work out well here. In the first place, it seems that Palm Springs has more money-raising campaigns than the average community. There are something like a hundred of them every year—and the list is growing. Practically all of them are considered worthy, some a good deal more than others. The handful of agencies that made up the "United" group represented only a small percentage of the other campaigns that were launched here. A score of them were going on at the same time as the "United" campaign and many reached their goals long before the "United" effort. Little wonder the United drive had its difficulties.

In a situation like this the answer was perfectly clear to those who are close to the needs of our LOCAL agencies: Our local health, welfare and youth agencies must be given FIRST consideration — and should be grouped alone in their appeal for support of the community.

This explains why we are back to the Community Chest campaign for 1959-60, why only these local agencies will participate in the Chest appeal: Welfare and Friendly Aid (including local "heart" and "cancer" funds), Boy and Girl Scout organizations, Youth

Center, Boys Club, Campfire Girls, Desert Museum (partial support) and Palm Springs Safety Council. These are OUR OWN community service groups. They depend entirely upon local residents and businessmen for support.

We believe that almost every regular and winter resident appreciates the importance of these agencies, most of which are devoted to youth activities. Our people will also agree, we believe, that these agencies are deserving of the whole-hearted support of the community.

The Community Chest plan of grouping local agencies only will likely appeal to residents who always supported these youth and welfare groups well in the past. It gives everyone the opportunity to see that the needs of this local group are provided independently of any other campaign. Winter residents particularly, who contribute to many national campaigns, here and at their other "home" cities, are given the opportunity to assist the Palm Springs youth agencies as a separate group.

All who enjoy the privilege of living in this wonderful community of Palm Springs should be glad to help these local service groups which touch the lives of us all—directly or indirectly.

The eight agencies participating in the Community Chest campaign will need \$80,000, and a lot of voluntary effort by a great many local residents, to continue these vital services for another year. Some will give both time and money. Every resident, property owner and businessman can — and should — see to it that our local needs are taken care of first; that the \$80,000 needed is fully subscribed WITHOUT DELAY!

## The Front in Formosa--1

TAIPEI, TAIWAN — Weights and measurements of rival boxers are often published prior to the fight, and this may be done for the suspended battle between the Chinese Communists (Chicom) on the Mainland and the Chinese Nationalist (Chinats) on this island of Taiwan. The statistics will not do much toward forecasting the outcome of the fight, but they will present a picture of the enemies. And some cautious evaluations may be made.

The Navies: Since either force must cross the Taiwan Strait to get at the other, their sea-going forces should be considered first. According to top intelligence sources, the Chicom have a large but motley number of amphibious vessels — 432 in all, of which only 23 are Landing Ship Tanks (LST) for bringing in heavy equipment.

SHOULD THE invasion come, it will be a spectacle for technicians. Something close to over 500,000 Chinese will attempt the crossing in everything floatable. In addition to regular vessels, there is expected to be a non-descript flotilla of rafts, barges and junks. Sino-American intelligence officers expect it to be a typical Oriental assault-in-mass with troops advancing over their own dead.

To support this grotesque spectacle, the Chicom have 24 no-account submarines (not much good anyhow in the shallow Strait) and 180 patrol-torpedo (PT) boats. It is a rag-tag naval force by modern standards. Navy people do not give it much chance to succeed unless the Communists gain control of the air.

THE CHINATS Navy is built for defense or counterattack. There are 5 destroyers, 12 out-moded but useful frigates, 10 mine sweepers and mine layers, with no submarines. The counter-attack force includes 24 LST's, 13 Landing Ships, Medium (LSM), 10 Landing Craft, Infantry (LSC), 6 PT's and one troop transport. Based on the 44-day war of August-November 1958 (known here as "The Flap"), the U. S. Navy-trained Chinats are far better seamen. They re-supplied the Kinmen (Quemoy) islands under heavy Communist fire,

and pleasantly surprised their American tutors in ship handling.

THE ARMIES: The Chicom are said to have 25 divisions of infantry and 4,000 air-borne troops to throw against Taiwan in the first wave. Eleven of the divisions are fully equipped with the weapons used in the Korean War, while 14 are lightly equipped.

This is a major force for a small theater, but it suffers from a large disadvantage. The Chicom Army could not be assembled for invasion without being discovered. Chinat pilots in the latest American-made photo-reconnaissance planes fly over the Mainland every day.

IF THE COMMUNISTS ever landed on Taiwan they would meet 23 infantry divisions and 2 armored divisions, as well as swarms of guerrillas. The Chinats have a continuing flow of up-dated American guns and armor in which they are daily trained. The Army of Generalissimo Chiang Kai-shek is not, as his enemies enjoy saying, an old man's club.

Most of the soldiers who staggered across the Strait with Chiang a decade ago are now chaffering pedicabs in the city streets, while their officers are in politics or government-run businesses. Thanks to replacements from conscription Chiang's army is now 30 per cent Taiwan Islanders, all young men. The oldest general officers in the field are in their early 50's. It is hard to see now the invaders, cut to pieces during the landings, could overcome the defenders.

THE AIR FORCES: Since 1954, 53 new jet bases have been constructed on the Mainland within striking distance of Taiwan. Planes from these bases, of course, can also hit Okinawa and the Philippines, where American air power is lodged.

It is illogical to assume that these jet bases (which are part of a huge Sino-Russian complex of at least three times that number) are there for defensive purposes. The Chicom flyers have advanced with the times in Russian aircraft from Mig 15's to Mig 17's, and are now getting a few Mig 19's, in

addition to Yaks and Badgers.

AS EVERYBODY must know by now, the Chinats shot and chased the Chicom out of the air during The Flap. Plane for plane, flyer for flyer, the American-sponsored team was far better than the Russian-sponsored entry. Even before our side began shooting the heat-seeking, never-miss Sidewinder rockets, the Reds had had enough. Assuming that we continued to replace F-86's with F-100 strike-fighters and the F-101 photo-reconnaissance fighters, there seems little chance for the enemy to gain control of the air. And without it, it's hard to see how Taiwan could be taken without prohibitive losses.

Defensively, by possession of the offshore islands, by integration into the American master plan for the Western Pacific, the Chinese Nationalists should be able to hold their own — for as long as we need this garrison. —HOLMES ALEXANDER

The Desert Sun

On behalf of the Palm Springs Junior Chamber of Commerce, I wish to extend our appreciation to The Desert Sun for the fine publicity we received in reference to the fund raising campaign we conducted last week to raise funds for our Christmas activities.

As you know, we conducted a light bulb sale's campaign throughout the City. As a result of the front page story we received on this in the Wednesday evening edition of your paper, we were most welcome in the vast majority of the homes we contacted. I would estimate from sixty to seventy percent of the people we talked to acknowledged that they had read about our campaign in the Desert Sun.

Under the circumstances, the campaign was a definite success and we wish to acknowledge the part you and your staff played in helping us put this campaign over.

Sincerely yours,

JAMES M. SCHLECHT,  
President

To see what to take.  
After next Thursday  
And that tummy ache.

This is Thanksgiving week. Thursday we'll tuck a napkin under our chin (chins) and do a good two-handed job. We are thankful for what we have and rightly so.

ON FRIDAY comes the reckoning.

We may be still be thankful for what we had but a bit dubious about what we had.

That's where TV comes in. Before we had all of those fancy commercials, we just ran into the kitchen for a bit of bicarbonate.

Now the singing TV commercials give us so many choices that by the time we figure out which is for us, the distress has vanished.

BUT WHILE on the subject of Thanksgiving and this news in the public prints about cranberries, I like this story Pat Stambaugh of the Dunes told me.

Pat says a Villager went into a local market and told the clerk he would like to buy some cranberries.

"Certainly," said the market man, "in bulk or in cans?"

"Just give me the can, sir," the buyer replied.

THEN, THERE is that one I heard while walking through The Center yesterday.

It concerns a newsboy who walked by the door of the office of the Palm Springs Printers, Inc.

There is a big sign there which heralds:

"Printers, Inc."

JUST LOOK at that," he told his pal.

"That belongs to The Desert Sun and I work for them."

"When I miss a customer once in a month they chew me out."

"And they don't even know how to spell!"

"I ain't out of the sixth grade yet but I know that you spell ink with a 'k' not a 'c'."

LEAVE IT TO Palm Springs and the desert area, the Winter Golf Capital of the World, to come up with something new.

When the world's richest golf tournament, the \$100,000 Desert Classic is played here in February, an added inducement will be a \$50,000 bonus for each hole-in-one.

Now, as every golfer knows, holes-in-one are not common.

But statistics show that in pro tournaments over the past few months, more than 30 aces have been scored.

TO MAKE SURE, those in charge of this richest tourney who posted the \$50,000 prize for holes-in-one, have taken out insurance that it won't happen.

Lloyds of London is handling it.

### STAN DELAPLANE:

## Backyard Champion

Well, we have examined all angles of the great world's championship backyard barbecue contest here. Am sorry to report it was as clean as aluminum foil.

These are suspicious days — contests are not as interesting as the expose that comes after. And though we were properly suspicious, we could find no fault.

So, into the fire . . .

THE KAISER aluminum foil cookout was held at Mr. Henry Kaiser's Hawaiian Village. (I was invited as a judge. But bowed out when I was informed all judges would be strait-jacketed and their mouths stuffed with cotton during the proceedings.)

A week of rainy weather preceded the cookout. And we were all grateful when the day dawned as clear as though it were advertised by the Hawaii Visitors Bureau.

THERE WERE 25 finalists. All men. Each was armed with a Kenmore barbecue grill with electric rotary spit. The rules called for two cookings of the recipe: One for photography, one for the judges' taste.

"Each man is given enough ingredients for three separate tries," said the aluminum press agent. "So he can only fail in one."

"THERE IS AN ugly rumor that one of the contestants is slipping a little monosodium glutamate in the sauce," I said. "Is that fair?"

"MSG seasoning powder is allowed if it was written in the original recipe," he said. Failing me neatly, you might say.

The chefs then set to work and the Waikiki waters rolled musically on Mr. Kaiser's man-made beach.

WE FOUND THEM very much like the barbecue chefs of our own neighborhood.

They laid in a bed of charcoal — Royal Oak briquets were furnished, though we found one man soaking hickory and applewood chips under the table.

They all started their fires

with fire-starting liquids. Except one, who used a foam-starter. A number of them brought their own tools — fire rakes and slicing knives, things like that. They wore chefs' hats and aprons and used a LOT of aluminum foil.

"WHY DO YOU line the fire pan with aluminum foil?" I asked professionally. "So you get more reflected heat?"

"I'll tell you," he said. "We get the free trip to Hawaii. And maybe the \$10,000 first prize. Or one of the four jeep station wagon prizes. But we also get to take home the barbecue. And I want to keep mine clean!"

This turned out to be Robert Gribbroek of Los Angeles who DID win the \$10,000 first prize. And it shows he was thinking all the time.

ALL THIS TIME the fires were blazing merrily. The smell of food would drive you crazy. (To keep down the fires, several contestants were armed with water pistols. They squirted down the flame and raised and lowered the grills.)

We interviewed some of them and found two university professors, eight advertising men, one 17-year-old, a restaurant owner and one clergyman.

The judges were locked up in some secret hiding place.

A NURSE STOOD by with an oxygen tank. And the romantic coco palms had been carefully denuded to stardust no coconut should conk a contestant.

Everybody signed a release. Allowing that they had received their food and equipment in good order. Security guards ringed the cooking area (each time I walked away from the press table, they threw me out; it was the most difficult story we ever covered).

IN FACT THIS contest was so absolutely blooming clean, I am unable to print the winning recipe. We have to get a release on the release.

I SMELLED what was cooking and I think it had coriander in it. And I do hope this does not imply that I am prompting.

## 'Much Better Actress'

Hollywood — Greta Chi, offering the opportunity of replacing France Nuyen as star of Broadway's "World of Suzie Wong," turned it down — to wit: "I'm a much better actress so why should I replace HER?"

I long-distanced Mary Martin, "way off there in Hamsville-on-the-Hudson, to congratulate her on the glowing reviews she received from the critics for her new Rodgers and Hammerstein musical, "The Sound of Music." Her husband, Richard Halliday, got on the extension and humphed: "Well, they weren't all rave notices. Brooks Atkinson expressed a few doubts, Walter Kerr didn't like some of the children in the cast and it's been pouring rain here in New York — but we're selling tickets through January of 1961!"

DARRYL ZANUCK and his former employee, Otto Preminger, will be working together again in January, this time in Israel, not Hollywood — and this time on two entirely different pictures. Otto's, of course, will be Leon Uris's "Exodus." Darryl's is an original screenplay, "Ballad of Red Rock," by Meyer Levin.

If Dick Swig of San Francisco's swingin' Fairmont Hotel is still in a swivet over the sudden disappearance of Georgia Gibbs from the starring spot in the hotel's supperclub, here's what happened. She didn't show up for her last show "That Night," Dick, because Her Nibs had to catch a fast plane to New York for The Ed Sullivan Show.

Barbed by the owner of a Sunset Strip saloon: "Throw that drunk at the bar out — but don't antagonize him!"

BOILED DOWN to bare essentials the feud between the two stars of "The Fugitive Kind" stems from the fact that Marlon Brando gets 20 closeups to Anna Magnani's 14. Also, he looks 35 (which he is) and she looks 53 (which she isn't — she's 49!).

Broadway has nothing on Los Angeles this week. We've got Katharine Cornell and Brian Aherne at the Hartford in "Dear Liar" and Lynn Fontanne and Alfred Lunt at the Biltmore in "The Visit." The former first-shaw — Stella Campbell "carnival of words" like a fireworks display on opening night.

THE LUNTS, OF course, kept us glued to our seats till Lynn unleashed the last ounce of her "Woman — scorned revenge" on Alfred. Both acting teams recalled Shelley's sum-up of an artist's creation: "More real than living man." That's what they were — bigger than life, better than life.

Sidelight: Carol Channing and her husband brought the Lunts to dinner at the home of some old pen pals, George Burns and Gracie Allen. The Lunts and Burnes had never met officially, only via fan mail to each other that started "way back when Lynn and Alfred were co-starring in "The Guardsman" on Broadway and Gracie and George were co-starring in "Lamb Chop and Pineapple" in vaudeville.

And Gracie got so excited about meeting her favorite acting team, she set out only six place-cards at her dinner party for eight guests!

# Canned Laughter Still Being Used

NEW YORK — I asked Jack Benny whatever happened to canned laughter and he said, "Nothing."

I said I'd heard it was going to be banned from TV by order of the big bosses and Jack shrugged eloquently. "I don't use it with live shows, but with filmed shows when you've got an audience of one person, you've got to have laughter," Jack said. "You've got to know how to use it. I use it so nobody can tell it's canned."

And if the public can tell it's canned, the guys who put it in get canned, so there.

Eddie Fisher had a tremendous Waldorf opening — biggest I ever saw there — just like Hollywood only bigger — with Eddie singing many love songs that seemed aimed at Liz Taylor. Liz had personally invited about 50 Big Names — Gloria Vanderbilt, Audrey Meadows, Aly Khan, Phil Silvers, Red Buttons, Ingemar Johansson, Arthur Loew Jr., Edith Adams, Johnny Mathis. The crowd was so great in the lobby that the 12:15 a.m. show was delayed till 1 a.m. One table of 12 which had seen Eddie at dinner wouldn't go, so Liz had to pay their \$450 tab to get them to depart. Eddie in a closing speech said, "This wouldn't have been possible without the greatest little lady in the world. I'd like to have her take a little bow — not too big a one — she really is Mrs. Eddie Fisher."

There'll be controversy about the Mary Martin-Rodgers & Hammerstein-Lindsay & Crouse \$2,500-

000-advance "Sound of Music." Not to keep bringing Jack Benny into this, but he thought it was delightful, and my B. W. was quite worshipful of everybody, especially Marion Marlowe, a personal friend. Mary Martin must have had opening night nervousness — in a thunder-and-lighting scene, she had to jump on a bed — and almost missed it.

Sid Luft happily reports that his wife, Judy Garland, won a clean-cut victory in the two-year arbitration of her New Year's eve walk-out from the Las Vegas Flamingo. Judy had walked out when the midnight revelers got too noisy, and the club had declared her contract canceled. Luft reports that the arbiters ordered the club to pay Judy \$20,000.

## Coachella Concert Open to Villagers

**THE REVELERS,** AN ALL-MALE quartet, officially opens the Coachella Community Concert Association season tomorrow night. Members of the Palm Springs Community Concert Association are entitled to attend by virtue of the reciprocity agreement between the groups.

Palm Springs Community Concert Association members have the privilege of attending the first concert of this 1959-60 season being presented by the Coachella Valley Community Concert Association at 8:15 p.m., Tuesday, at the auditorium of the Coachella Valley Union High School.

Attendance is by individual membership only. No individual tickets are sold at the concert.

**"THE REVELERS,"** a quartet of male vocalists, is the first attraction of the C. V. Association, which has a total of four concerts in its 1959-60 series. Their other three concerts, which should be noted on Palm Springs members' calendars, are: Alex Templeton, piano — on Jan. 29, 1960; Mildred Dilling, harpist, — on March 9; and the Temianka Little Symphony, instrumental ensemble — on April 3.

Feodore Tedick and Thomas Edwards, tenors; Lloyd Hanna, baritone; and Edward Ansara, bass — together with their excellent accompanist, William King — comprise this quartet of spirited young men known as "The Revelers," who combine their fine voices to create first-rate entertainment. Their exciting programs run the gamut from Schubert to Rodgers and Hammerstein, and their sparkling arrangements of folk and popular songs are a sure-fire hit wherever they perform.

A TYPICALLY American institution, the male quartet has enjoyed a rare popularity in these United States since the days when hand-bar mustaches were the

vogue and such tunes as "Bicycle Built for Two," "Daisy," and "Down by the Old Mill Stream" were hummed and whistled by almost everyone.

Some 40 years ago the Revelers Quartet was formed and became in time one of the most in-demand and distinguished groups of its kind. The quartet gained an enviable reputation for fine music making and clever arrangements of the standard concert repertoire with a fair sprinkling of both folk songs and those in the popular vein.

Two seasons ago, after an absence of several years, the new Revelers Male Quartet was heard in key cities throughout the country with outstanding success. A highlight engagement and great honor was accorded the group when they performed for President Dwight D. Eisenhower at the White House.

**EACH OF THE MEMBERS** of the quartet is a top-flight performer in his own right, and audiences from coast to coast this year will be introduced to them. The Revelers are popular recording artists for Urania Records, also.

The Coachella Valley Community Concert Association begins its 11th successful season of Community Concert attractions from Columbia Artists, Inc., of New York, with The Revelers on next Tuesday evening. All concerts for the 1959-60 series are to be held at the Coachella Valley Union High School, and all begin at 8:15 p.m. on the dates above specified.

**GREETED BACKSTAGE** at their opening in the Chi Chi's Starlite Room last night were the Mary Kaye Trio. The greeters? Mike Hale and Benny Hayden, the spectacular comedy song-and-dance duo who co-billed the recent Dorothy Dandridge show in the same club. On the new Chi Chi bill with Mary, Frank and Norm are magician Del Ray and Bill Alexander and his Chi Chi Orchestra.

## MARY'S TRIO KEEPS GETTING BETTER

There is more sheer fun wrapped up in the Mary Kaye Trio (and accompanying show) than any Southern California night club has a right to expect.

In their usual, routine, matter-of-fact presentation, the three-some manages to:

- 1 — COMPLETELY RELAX the crowd in the Chi Chi's Starlite Room.
- Essay a superb balance of good humor and rare taste.
- Inject — in spite of the foregoing facets — a marvelous understanding of music (worth and values) into their current program here.

**THE MARY KAYE Trio** has been a Village favorite for at least the two seasons I've been here (and has also been a Las Vegas favorite for some seven years — take that any way you will) and seems to be mellowing as it goes.

In last night's opening effort, they essayed "All Of Me," the crowd-tune "Up the Lazy River," "My Funny Valentine," a couple of take-offs in "Baby Knows Best," and "I Can't Give You Anything But Love (taping the Prima-Smith combination) and ever so many other songs.

**AS HAS BEEN** the custom, Frank Ross manages to create an initial pandemonium that is never fully squelched by Mary or Norm Kaye.

## BIKE RIDING POPULARITY REVIVED BY TRAILERITES

By AL NEHL

Bicycle riding, the fashionable fad of the gay nineties is making a sensational comeback at resorts all over the world — and Palm Springs is no exception.

More and more people in this area are taking up this healthy, happy satisfying hobby. People of all ages and incomes are joining the same clubs and riding side by side.

**LEADERS, NUMERICALLY** at least, in this exhilarating sport here, are residents of the trailer parks. Practically every park has its enthusiasts. Many of them have old and well organized clubs. At this time there is a movement on foot to form an association of trailer park bicycle clubs. This will probably be accomplished in the very near future.

One of the leading clubs in this area is the group who live at

Rancho Trailer Park — the Rancho Peddlers. This group is headed by Glen Darth, bikemaster, and Ed Mason and Eddie Rose, assistant bikemasters. Mrs. Glen Darth is chairman of the club.

**AT RAMON TRAILER** Park the bike riders call themselves the Ramon Bike and Hike Club. Frank Trapani is the sparkplug of this group and his assistants are Clara Ford and George Schlegel.

Irma Helgren, a vivacious grandmother with the pep, personality and figure of a sub-deb, leads the movement at Tramview.

At Horizon the riders call themselves The Whistling Wheels. This group is headed by Bill Littles and Fred Thompson. There are about 50 members in this club and they schedule three rides a week.

**TOMMY AND ELEANOR** Randall are the No. 1 and 2 riders at Sun Town Trailer Park in Cathedral City. At Blue Skies Trailer Park the movement is led by Rose and Ben Habing, Lorna and George Wright, Desneiges Olson, Helen Hayes and Bert Brooks.

Group and club rides ordinarily range in length from 15 to 25 miles and usually are scheduled from one to three times a week. For most of the rides, a definite

destination is set in advance — usually a place where refreshments or food can be obtained, a place of interest or just a good place to rest.

**MANY TIMES** friends of the fans have gone ahead in automobiles and prepared a lunch or refreshments. One of the interesting features of this movement is the marked tendency of groups of this kind to adopt distinctive wearing apparel identifying them as members of their club.

Caps and sweaters of the same design and material are usually worn. These carry the club insignia. Bermuda shorts and the traditional knee length socks are adopted as standard wearing apparel for some clubs. Small pennants or other identifying emblems are sometimes carried on the bicycles.

As a fun fad for folks over 50 especially "folks that ain't done living yet," it's cool and one of the most.

**PTA District Mapping Battle On Pornography**

**SARATOGA (UPI)** — The Sixth District of the California Parents-Teachers Association has announced that it will start a drive next month against pornography distributed through the mails and newsstands.

Mrs. Ray W. Martin, director of juvenile affairs for the district, which has 63,000 members and 186 member schools from Palo Alto to Hollister, said the campaign will be part of a new statewide drive on pornography.

She said that starting Dec. 7, PTA mothers will visit newsstands throughout the district and submit a one-page questionnaire to the proprietors.

She said this will help determine what safeguards are taken by newsstands to see that children are not sold "nudist and girlie-type magazines."

Pornography-by-mail, she said, has mushroomed into a half-billion dollar business, three fifths of which has been going to Los Angeles "filth-peddlers."

**Britain Acts On Trade War**

Application forms supplied by the department may be mailed and will be accepted without penalty provided the postmark shows a mailing prior to midnight Nov. 30.

State law provides that a double fee is the penalty until Dec. 31, and then the licenses are automatically cancelled.

## State's 'Brain' Nabs Jobless Frauds

By ROBERT FAIRBANKS  
**SACRAMENTO (UPI)**—Look at any long line of persons waiting to collect a California unemployment check and you can be sure that one in every 205 of them is a fraud.

The statistic came today from Robert L. Prosser, chief of the Department of Employment's fraud section. Prosser, who has been ferreting unemployment frauds for the past 13 years, explained the figures by dividing his court convictions last year into the total number of claimants: 3,341 into 685,653.

**BUT KNOWING** statistics is one thing and catching culprits is another. Prosser's most effective culprit-catcher is a huge electronic brain that sits in the employment building basement.

Every day, technicians feed the brain with a list of persons collecting unemployment benefits. And every day, the brain tells which of these is collecting fraudulently.

**SOMETIMES, HOWEVER,** the brain slips up.

It said nothing, for instance, about the pregnant lady in Los Angeles who collected an unemployment check three hours before giving birth.

Nor did the brain mention a Merced gold miner who collected unemployment benefits while working his hard rock claim in the Sierra.

## Seven Finalists Vie for Title Of Rose Queen

**PASADENA (UPI)**—Seven Pasadena City College coeds, winners of positions on the 1960 Royal Court of the Tournament of Roses, had something special to look forward to today.

One of the court members will be chosen Rose Queen Dec. 3 and will reign at the big New Year's Day Parade and Rose Bowl football game activities.

The remaining six will be her attendants. Chosen Wednesday were Virginia Uebbing, 18, and Sherri Goodner, 18, both La Canada, Margaret Bertelson, 18, Barbara Thomas, 19, Carolee Ream, 17, all Pasadena, Virginia Evans, 17, Arcadia; and Marian Kerby, 19, Alhambra.

## New License Plan Studied

**LOS ANGELES (UPI)** — A plan to issue statewide recreation licenses is under consideration today by the Senate Fact Finding Committee on Water.

Edward F. Dolder, deputy director of the state Department of Natural Resources, proposed the plan as a means of financing public recreation facilities in connection with the California Water Plan.

## Parking Meter Receipts Same

Parking meter receipts in the City of Palm Springs continue near last year's mark, \$6,371 to \$6,482, Finance Director Shelby V. Langford reported today. Total collected last month was \$4,030, compared to \$3,430 in October of 1958.

**BUT THOUGH THE** brain might miss a case now and then, Prosser still believes it to be the best device for protecting California's yearly disbursement of unemployment checks. Last year, the state wrote checks for more than one-third billion dollars.

The brain, known as an IBM 705 data Processor, actually performs a simple task, though not an easy one by human standards.

It matches the names of persons who collected unemployment insurance during a particular week against the names of those who collected a salary during a three month period including that week.

**DEPENDENT UPON** seasonal business conditions, the first list may contain from 80,000 to 180,000 names. The second now runs in excess of 5,500,000 names and is supplied by employers.

If the brain finds the same person on both lists, a further check is made to see if this person actually collected unemployment money during the same week that he received a regular salary.

President

"During the winter months when much driving must be done with the lights on, California motorists should acquaint themselves with the legal requirements of night time driving. The California vehicle code provides that no vehicle shall be driven at any time with the parking lamps lighted except when the lamps are being used as turn signal lamps. Language of the Code is perfectly clear, yet many motorists continue to drive at dusk, dawn and in fog with only their parking lamps burning. Not only is this practice illegal, it is very dangerous. Too many accidents occur because one driver didn't see another car approaching or because he misjudged the speed at which the car was traveling. Using parking lamps as headlamps contributes greatly to these accidents. Obey the law and live longer."

It was a hard-fought win for the Eldorado club, which took the first match 6-3 and dropped the second to San Francisco last Sunday, 7-5.

Riding with Nixon to the winner's trophy were Blaine Stevenson, Jack Conant and Bill Tevis. San Francisco riders were Ted Pierce, Leo Hulseman, Bob Smith and Gail Medlicott.

## HUSKIES-BADGERS WIN BOWL POSTS

By HAL WOOD

United Press International... It's Washington vs. Wisconsin in the Rose Bowl on New Year's Day in what should be the most evenly-contested game in the history of the pact with the Big Ten.

The Huskies clinched the West Coast invitation by drubbing a good Washington State team, 20-0, Saturday, while Wisconsin held off Minnesota for a 11-8 victory and the Big Ten championship.

"WE'RE READY for the Rose Bowl now," howled back Don McKeta after Saturday's victory as he and others pushed head coach Jim Owens, fully dressed, under a shower.

Owens had refused to talk about the Rose Bowl prior to the Washington State game. But he needn't have worried — because Oregon State took care of the only other possible competitor, The Beavers, 14-point underdogs, clobbered the Ducks, 15-7.

MEANWHILE, THERE was no joy on another front. University of Southern California, the No. 2 team in the nation, was up-ended by UCLA, 10-3. The Bruins play Utah this Saturday, then on the following weekend get a crack at Syracuse, the No. 1 team.

The Trojans, licking their wounds, go east to battle Notre Dame in South Bend.

CALIFORNIA FINISHED a dismal season on a high note with an up-hill 20-17 victory over Stanford in the annual "Big Game" before

the West's biggest crowd—90,000. The Golden Bears completed the year with a 2-7 record; Stanford 3-7.

Washington, with a 9-1 record, is expected to be even money against Wisconsin in the bowl battle. The Badgers won 9, lost 2.

If the Huskies are to break the Big Ten victory monopoly, it probably will be up to quarterback Bob Schloredt to turn the trick. The one-eyed sensation has been a stand-out in nearly every Washington game. Against the Cougars Saturday he rolled up 209 yards from passing and rushing.

MOBILE, Ala. — (UPI) — Muscular Billy Casper, riding the hottest streak of the winter golf tour, today owned his victory in the \$15,000 Mobile Open tournament to an ultra-conservative game.

Wes Ellis Jr., of Aldecres, N. J., and Dave Ragan of Orlando, Fla., tied for second with 282 totals.

Brown, Whittaker Take Men's Doubles In 3-Day Event

Alex Olmedo, 22-year-old Peruvian who stars in tennis for the University of Southern California, overran the defenses of Marine Private John Cranston, San Marino, to take the men's singles event of the fourth annual Racquet Club Invitational in 35 minutes of whooshing action, 6-1, 6-2.

Cranston a south paw Davis Cup player, took the second and sixth games of the first set.

Olmedo, his serve back to baffling speed and accuracy, is reportedly considering a pro tennis offer.

Men's doubles victory went to Noel Brown and Bob Whittaker, Los Angeles, who defeated Levan Zerbe, Balboa Bay Club, and Robert Delgado, USC, 7-5, 6-4.

The mixed doubles match was defaulted to Marge Jackson and Marine Private Ed Sledge when Mrs. Kirk Douglas was called away. Her partner would have been Allen Fox.

## Hunter Favored To Defeat Alex Miteff Friday

## New American Football Loop Starts Draft

MINNEAPOLIS, Minn. — (UPI) — The American Football League headed into its first draft meeting today in a state of confusion.

League spokesmen spent much of their time Sunday denying reports that backers of the newly-formed AFL's Minneapolis - St. Paul franchise were pulling out.

Charles Johnson, executive sports editor of the Minneapolis Star and Tribune, said a local group which had accepted an AFL franchise was withdrawing to accept a franchise for 1960 in the National Football League.

The report was denied by Lamar Hunt, holder of the American League's Dallas franchise and principal organizer of the AFL.

The league picked eight players as initial draft choices at a meeting Sunday night attended by representatives of the eight cities holding franchises — Boston, Buffalo, Dallas, Denver, Houston, Los Angeles, New York and Minneapolis.

## UNITAS, CONERLY PITCH BULLSEYES

By MILTON RICHMAN

United Press International

Johnny Unitas and Charley Conerly are pitching bullseyes again and their target appears to be a replay of the "dream game" between the Baltimore Colts and New York Giants for the National Football League title.

Both teams took a big step in that general direction Sunday and Unitas and Conerly were the ones who led the way.

UNITAS THREW two touchdown passes and scored once himself in a 45-14 victory over San Francisco that boosted Baltimore into a first place tie with the Forty-Niners in the Western Division.

Faced with the prospect of losing all chance to retain the league title they won from the Giants last December, the Colts ran up their highest score of the season, causing San Francisco Coach

Red Hickey to comment he felt "like a freight train just ran over me."

CONERLY HAD much the same affect on the Chicago Cardinals. Limping on a sprained ankle, the veteran 38-year-old Conerly fired two touchdown passes and had a hand in a third as the Giants licked the Cards, 30-20, at Minneapolis and climbed one game in front of the Eastern Division race with a 7-2 record.

Pittsburgh upset Cleveland, 21-20, thereby knocking the Browns out of a first place tie in the Eastern Division. The Browns now have a 6-3 record, the same as the Philadelphia Eagles, who defeated the Los Angeles Rams, 23-20.

The Chicago Bears kept their faint Western Division hopes alive with a 24-14 triumph over the Detroit Lions, and Green Bay snapped a five-game losing streak by walloping Washington, 21-0.

## Gillman Castoffs Speed His Ouster

PHILADELPHIA — (UPI) — The

cellar-dwelling Los Angeles Rams round out their disastrous three-game road trip Sunday at Baltimore against the Colts who with the San Francisco Forty Niners are tied for first place in the National Football League's Western Division.

The Rams, highly touted before the season, collected their fifth straight loss Sunday at the hands of the Philadelphia Eagles and two former Rams, Norm Van Brocklin and Paige Cothren.

COACH SID GILLMAN's chances of hanging onto his job appeared slimmer than ever after the thrilling 23-20 defeat before a crowd of 47,425 fans. It was the second largest crowd to turn out for the Eagles in the team's history.

Gillman had engineered Van Brocklin's trade and also had argued this season that he could not take a chance on Cothren who had a gimpy leg.

COTHIEN WAS picked up as a free agent five weeks ago by the Eagles and Sunday he booted

three field goals, the last one just 16 seconds before the game's end to give the Eagles the winning margin.

Van Brocklin put the crimps on a determined Los Angeles drive in the fourth period when the visitors vaulted from a 10-20 trailing position to a 20-20 tie on a 26-yard scoring pass from quarterback Bill Wade to Jim Phillips and a 38-yard tying field goal by Lou Michaels with just five minutes left.

VAN BROCKLIN completed three hefty passes good for 80 yards to move the ball from the Eagles' 11 during the last 90 seconds to the Rams' seven. Cothren was then called in and booted the winning field goal.

Van Brocklin threw 38 passes and completed 19 of them, good for 278 yards compared with 9 completed out of 23 tries by his former understudy, Wade. The Los Angeles quarterback managed to gain only 90 of the total 133 yards gained in the air by the visitors. Frank Ryan threw seven and completed three for the rest of the Ram aerial yardage.

## Stuffing for Thanksgiving Turkey Takes on Variety

By JEANNE LESEM  
United Press International  
NEW YORK (UPI) — Fancy stuffing for the Thanksgiving turkey can be made quickly and easily by combining packaged bread stuffing with other convenience foods.

The American Institute of Baking in Chicago has worked out a dozen variations on this theme, using everything from canned condensed soup to grated sharp cheese.

But first, a couple of shopping tips:

—Buy one eight-ounce package of ready-to-use bread stuffing for a five to six pound bird; two packages for a 10 to 12 pound bird; three if the turkey weighs 15 to 18 pounds; and four for a 20 to 24-pound gobbler.

—Read the manufacturer's label, to determine if the mix is seasoned or plain. If it's unseasoned, add salt and pepper, plus marjoram, sage, thyme, poultry seasoning, onion or celery, or a combination of several, to taste. Here are the recipes, each using one 8-ounce package of seasoned bread stuffing. In multiplying the recipes for larger birds, increase added ingredients proportionately.

—Basic stuffing: follow manufacturer's directions for adding melted butter or margarine and liquid. In the fancier recipes, skip package directions and blend the dry mix with additional ingredients as listed.

—Applesauce stuffing: add 1-3 cup of melted butter or margarine, 1 cup of thick applesauce, 1 teaspoon of ground cinnamon and 3 tablespoons of brown sugar.

—Bacon - parsley stuffing: add 1/4 cup of melted butter or margarine, 3 strips of crisp cooked bacon, crumbled, 3 tablespoons each of bacon drippings and chopped parsley and 1 cup of water.

—Cheese stuffing: add 1/4 cup each of melted butter or margarine, water and chopped parsley, and 1 cup of grated sharp cheese.

—Giblet - celery stuffing: add 1/4 cup each of water and melted butter or margarine, 1/4 cup of cooked, chopped giblets and 2-3 cup of chopped celery.

—Mushroom stuffing: Add 1 cup of sliced mushrooms sauteed in 1/4 cup of melted butter or margarine, 1/2 cup of chopped celery and 1/4 cup of water.

—Orange stuffing: add 1/4 cup each of orange juice and melted butter or margarine, 1 teaspoon of grated orange rind, 1 cup of orange sections, peeled and seeded, and 1/2 cup of chopped celery.

—Oyster stuffing: add 1-3 cup of melted butter or margarine, 1 cup each of drained oysters, milk and chopped celery and 2 eggs, slightly beaten.

—Sausage stuffing: add 1 cup of cooked sausage meat (1 pound raw), 2 tablespoons of chopped onion, 1/2 cup of chopped celery and 2 tablespoons of water.

—Spicy apple stuffing: add 1/2

## Caramel Apples the Easy Way

The wonderful aroma of crunchy popcorn, the fun of dipping crispy, rosy apples in chewy caramel sauce and a cozy fire all make fall the most glorious season of the year.

**Caramel Apples**  
1 lb. caramels (56 caramels)  
2 tablespoons water  
4 or 5 medium size apples, washed and dried  
Wooden sticks

Place the caramels and water in the top of a double boiler. Heat, stirring frequently, until the caramels are melted and the sauce is smooth. Insert a wooden stick into the stem end of each apple. Dip them into the hot caramel sauce and turn until the surface is completely coated. Scrape off caramel sauce from the bottom of the apples. Put on waxed paper and place in the refrigerator a few minutes until firm. Remove and serve.

## Mellow Pumpkin Cake

Everyone claims a favorite cake. As every woman knows — one thing is certain: Everyone loves cake! A feathery-light cake always gets the nod of family approval.

There's sure to be an air of anticipation and excitement at your house around the dinner hour when you announce Mellow Pumpkin Cake for dessert. This unusual recipe combines pumpkin, spices and a simple cake batter in a seasonal treat that's bound to please everyone!

Mellow Pumpkin Cake is reminiscent of the richness of autumn. Its deep-golden, ginger-like color brings a touch of November right to your table.

A tangy Lemon Sauce — hot or cold — greatly enhances the subtle spice flavor of Mellow Pumpkin Cake. Like the traditional Thanksgiving pumpkin pie, this taste-tempting cake is delightful, too, topped with whipped cream.

### MELLOW PUMPKIN CAKE

1 1/4 cups sifted enriched flour  
2 teaspoons baking powder  
1 teaspoon baking soda  
1 teaspoon salt  
2 teaspoons cinnamon  
1/2 teaspoon nutmeg  
1/4 teaspoon allspice  
1/4 teaspoon ginger  
1/2 cup shortening  
1 1/3 cups sugar  
2 eggs  
1 cup cooked pumpkin  
2-3 cup buttermilk  
Lemon Sauce

Sift together flour, baking powder, soda, salt and spices. Cream together shortening and sugar until light and fluffy. Add unbeaten eggs, one at a time, beating well after each addition. Combine pumpkin and buttermilk. Add alternately with flour to creamed mixture. Blend well. Bake in well-greased, paper-lined 9-inch square pan in moderate oven (350 deg. F.) about 45 minutes. Cool. Serve with Lemon Sauce. Makes one 9-inch square cake.

### LEMON SAUCE

1 cup sugar  
1/4 cup enriched flour  
1/2 cup boiling water  
Sift together sugar and flour. Add boiling water gradually, stirring constantly. Simmer mixture about 5 minutes. Stir in butter or margarine, lemon juice and lemon rind. Continue to simmer until mixture thickens. Sauce may be served warm or cold. Makes 2 cups.

## Roasting Turkey The Expert Way

CHICAGO, Ill. (UPI) — The speed with which a turkey cooks depends on the type of roasting pan used, the method of roasting — covered or uncovered — and the oven temperature.

Here are tips from a meat packer (Swift and Co.) that will help you decide which process to use on your holiday bird.

Prepackaged ready-to-cook birds usually will offer instructions on a label. Check them carefully.

Covered roasting is fastest, but the bird's appearance may not be as attractive as an open-roasted one. In covered roasting, a dark enamel pan can do the job an hour faster than a shiny, light finished roaster.

A meat thermometer inserted in the turkey's thigh muscle is the best method of testing for doneness. When the thermometer registers 190 degrees, the bird is ready to serve.

A less scientific, but useful, method involves pinching the drumstick meat with cloth or paper towel-covered fingers to see if it's soft.

If you buy a "tucked" turkey, skewers for trussing won't be needed. A "tucked" bird is one whose drumsticks have been slipped into a slit of skin at the base of the breastbone to form a natural truss. Ease the drumsticks from the tuck, stuff bird loosely (the stuffing expands in cooking) and replace in tucked position.

The minute your meal is over, left-over turkey and stuffing should part company. The meat can be wrapped and frozen, but should be used within 2 months. Stuffing can also be frozen, if it is carefully wrapped to prevent drying.

## Hersheberg's Entertain

The Harry Hersheberg from New York is the vice president of Seagrams Distillers', entertained at a luncheon at the Racquet Club for Mr. and Mrs. Herbert Evenston of New York (executive vice president of Seagrams), Mr. and Mrs. Lyle Jettley of Vancouver, B.C., Canada, who are back for their tenth season; Mr. and Mrs. Jerry Baname of North Hollywood, Jean Benson (associate producer of Jean Negulesco), Mrs. Sanders Pierce of Beverly Hills, Marty DuBrow, Mr. and Mrs. Frank Perkins (he is the composer of Stars Over Alabama and numerous other song hits and is presently working on a musical) and Mr. and Mrs. Walter Freund owners of the Sandcomber, where most of the guests are staying.

Before carving the Thanksgiving bird, be sure the knife is sharp or have a sharpener at the table.

If holiday candles stain table linen, gently scrape the hardened wax from the surface with a dull knife. Then sponge the stain with cleaning fluid — away from any open flame. If the stain remains, sponge the spot with a cloth dipped in a mixture of one-part rubbing alcohol and two parts water.

Chill candles in the refrigerator for 24 hours before using. They will burn easily and won't drip.

**To Help the Carver**  
Dad can be a showman at carving the holiday bird — if Mom sets the stage correctly beforehand. Here are tips to help the carver:

—Don't give him a wobbly bird. If the turkey tilts, put a wedge of apple or carrot under it to hold it in place.

—Too much garnish on the turkey platter can mean splatters and spills, so decorate sparingly. —Be sure long-stemmed goblets and table decorations are well out of the carver's elbow range.

## Thanksgiving Pie and Coffee — A Finale to be Remembered

### A BEAUTIFUL walnut pie and this

is the perfect way to end a memorable Thanksgiving dinner.

The walnut pie is a marvelous rich confection that captures all the flavor and tang associated with the autumn celebration. Made with brown sugar, coffee and a generous filling of walnuts, it's bound to be the main attraction of your meal. The best part about it is that it's prepared so easily the day before Thanksgiving, then served up with a flourish.

Of course, there should be plenty of freshly-brewed hot coffee to go with Thanksgiving dessert and, like the rest of the meal, it should be made with care. After all, it's the coffee that makes the final impression — an impression that should last until next Thanksgiving comes around!

**Coffee Walnut Pie**  
1/2 cup firmly packed light brown sugar  
1/2 cup soft butter or margarine  
1 cup granulated sugar  
3 eggs  
1/4 teaspoon salt  
1/2 cup heavy cream  
1/2 cup strong coffee  
1 cup coarsely chopped walnut meats  
1 teaspoon vanilla  
1 cup broken walnut meats  
1 1/2-inch unbaked pie shell  
Cream brown sugar and butter until well-blended. Add granulated sugar and mix well. Add eggs, beating well after each. Add salt, cream and coffee and mix well. Cook over boiling water, stirring for 5 minutes. Remove from water and stir in 1 cup walnuts and vanilla. Pour carefully into pie shell. Bake in moderate oven, 350°, 1 hour. Scatter broken walnuts on top and bake 5 minutes longer. Cool. (Note: pie will puff during baking and shrink slightly as it cools.)

## Eating Artichokes Is Easy

The art of artichoke eating is simple, with these directions from the Western Growers Association. Count on 1 medium-sized or half a large artichoke per person. Hold the petal ends up under fast running water or soak in salted water 30 minutes to clean. Drop into boiling salted water seasoned with a small clove of garlic, 1 thick slice of lemon and 1 tablespoon of oil for each artichoke.

Cover and boil until a leaf pulls away from the stalk easily or the stem is easily pierced with a fork — 20 to 45 minutes, depending on size. Remove, drain, cut off the stub end and serve either hot or cold, with melted butter, mayonnaise or Hollandaise sauce.

To eat, pull leaves off one by one, dip the base of each — the light colored end — into the sauce, and draw off the tender part between the teeth. Discard the hard part of leaves.

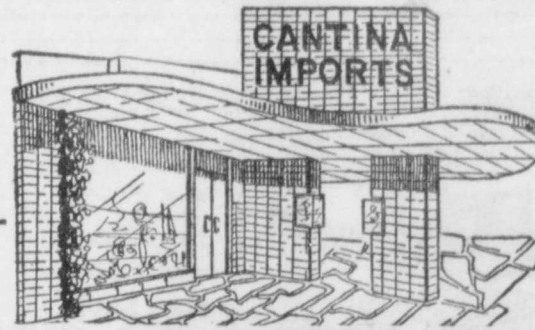

Don't eat the fuzzy center. Cut it away, and eat the remaining heart.

## 'Invisible Ear' Opens World of Sound

Now a marvelous new electronic discovery, "Target Hearing," opens the world of sound in a way never before possible.

The "Invisible Ear," a tiny pinpoint opening, has an amazing sensitivity that allows the hard of hearing to lift the curtain of silence to a wonderful new world. Now people called "deaf" hear clearly in church, theatre, business conferences, etc. "Target Hearing" lets you hear where you look. Conversation, music can be heard naturally and effortlessly with a clarity so unique this remarkable invention has been granted a U. S. Patent.

"Target Hearing" does not resemble a hearing aid. The hard-of-hearing person himself, can be the only one who knows, unless he tells people he is wearing it, because there are on cords or buttons to cause embarrassment. There's nothing to wear behind the ear, in the hair or in the clothing; a tiny, almost invisible tube leads to the ear.

You owe it to yourself to get full, free information on "Target Hearing." To obtain an authoritative new booklet describing this exciting electronic miracle, write to Bureau of Public Information, Oticon Research Laboratories — 96099 Post Road, Ossining, New York. It will be mailed to you FREE without obligation in a plain wrapper.

STUDENTS IN PALM SPRINGS elementary schools have as their safety slogan for this week "Matches Can Be Dangerous—Don't Play With Them." The tykes will be repeating the motto as they board and leave district school buses and will also repeat the warning in their classrooms.

## ALMANAC

United Press International Today is Monday, Nov. 25, the 327th day of the year, with 38 more days in 1959. The moon is in its last quarter. The morning star is Venus. The evening star is Saturn. On this date in history: In 1804, Franklin Pierce, 14th president of the U.S., was born. In 1903, Italian tenor Enrico Caruso made his American debut in New York City, singing the role of the duke in Rigoletto at the Metropolitan Opera House. In 1917, the first American shot was fired in World War One. In 1945, the rationing of meat, butter and other red point foods ended in the U.S. In 1954, the Chinese Communists announced that 11 Americans — captured during the Korean War — had been convicted on charges of espionage.

A thought for today: American actress Cornelia Otis Skinner once said: "Women's virtue is man's greatest invention."

Nine out of every ten Americans who have health insurance coverage for hospital care also have insurance against the cost of surgery, according to the Health Insurance Institute.

## Law in Action

## Wills Need Care --They're Tricky

By STATE BAR ASSN.

Be careful when you change and revoke a will, and be sure you use the proper legal methods.

Why are the courts so sticklers for method in will cases? Because when the time comes to pass upon the will, the main character in the drama is no longer on hand to say what he had meant to say. Hence witnesses, formality, and extreme care.

THE OTHER DAY MR. Smith put before his lawyer a will which he had made a year before. He had written in a few changes, and wanted to know whether his lawyer thought they were all right.

Mr. Smith had scratched out certain words and written in others in his own handwriting. He did not want to revoke his whole will, but merely to change two items.

HAD MR. SMITH died with his will in that condition, most likely the court could not have recognized the changes, but might well have had to prove (probate) the will as Mr. Smith had first written it.

Mr. Smith got a new will prepared at once.

YOU CANNOT merely by crossing out and adding parts, legally change a will once duly written, witnessed, and signed: You have either to draft and execute an entirely new will or to add a "codicil" which you have witnessed and signed the same way as the will in the first place.

Since a will does not take effect until after the testator dies, one should review his will at least once a year to meet changing conditions. Has anyone new been born into the family? Any deaths in beneficiaries or executors? Has the estate changed in size or condition?

IF SO, GET THE will worked over to meet the new conditions. It is easy to put off such things. But don't.

Look out for such things as deaths among the heirs; births, marriages, or divorces in the family; accidents or sickness among the close relatives. It may be de-

## 17 Percent Hike Forecast for Postal Rates

WASHINGTON (UPI) — An average of 17 per cent increase in rates on parcel post and other fourth class mail will be put into effect after Christmas, Postmaster General Arthur E. Summerfield announced today.

Summerfield said the rate boost, approved Friday by the Interstate Commerce Commission, will become effective on Feb. 1.

Summerfield said his department withheld putting the rates into effect before the holidays to keep from inconveniencing Christmas mailers and adding to their costs.

Under the new rates, a four pound package for local area delivery will require 28 cents postage instead of the present 23 cents. If sent from the east coast to the West Coast or to Hawaii or Alaska it would cost \$1.02 rather than 87 cents.

Only about 12 per cent of all British homes have refrigerators, according to the International Federation of Agricultural Producers.

## Dear Abby...

...by Abigail VanBuren

DEAR ABBY: A year ago Thanksgiving my boyfriend and I were in a bad auto accident. He was driving and I was beside him. The other boy in the front seat was killed. My boyfriend was hardly scratched.

I was in the hospital five months with a broken back and fractured skull. My face was terribly cut up. Half of it still looks like raw meat. I lost my eye on that side. I can't stand to look at myself in the mirror.

My boyfriend (who is 20) keeps saying he wants to marry me when I am 18. (I am 17½). He works days and goes to school nights to be a mechanic.

Here is my problem: I am afraid the only reason he wants to marry me is because he feels guilty about what happened to me, and he knows nobody else would marry me the way I look. Please help me do the right thing, Abby. I love him so much. But I don't want him to marry me out of pity.

WANTS LOVE, NOT PITY

DEAR WANTS LOVE: Depend on your heart to tell you if your boyfriend really loves you. The chances are, he does. Plastic surgeons have been known to perform miraculous surgery in cases like yours, so don't despair. But remember, the spiritual beauty of courage, goodness and determination is far more lasting than a pretty face.

DEAR ABBY: What do you think about girls having to take showers together? After every gym period we have to take showers which, of course, we should. But there are no curtains or partitions for privacy and all the girls have to shower together. Some of the girls think nothing of it. But I was taught modesty at home and I do not like this idea. My mother doesn't like it either. Can something be done about it without

causing a big fuss?

"MODEST"

DEAR MODEST: In my opinion, no girl should be compelled to shower with other girls if she doesn't want to. Yours is not the

first letter I have received from a girl protesting "mass showering." Have your mother talk to the school authorities. Something CAN be done. But it will not be, unless someone complains.

Any Pilgrim could tell you...

"The first Thanksgiving feast was delicious..."

thanks to the birds and the bees"

While those wild, wild turkeys played a big role in the first Thanksgiving, let's not overlook the honey on the table—the nectar of the gods.

Those Pilgrims had a lot to be thankful for, what with the honey bees busy, day in and day out keeping them supplied with nature's first sweet. Pure honey not only enhanced the flavor of the biscuits at that first Thanksgiving, but gave them all the healthful quick energy needed to digest the rest of the meal —and remember, it's non-fattening!

Be sure you serve honey on your own table this Thanksgiving. Be sure it's Miller's Pure Honey...everyone loves this brand.

You'll find it at your grocers.

## Two Desert Yule Events Featured

Two Desert area Christmas events are featured in the All Year Club's schedule of holiday celebrations in December.

Palm Desert's Christmas Card Lane on Highway 111, and Joshua Tree's transformation into the town of Bethlehem with costumed residents acting out their Holy Land scenes nightly, are highlights. Both start Dec. 18, with the Palm Desert event continuing to Dec. 31, and the Joshua Tree program to Dec. 24.

ELSEWHERE IN Southern California there will be parades of boats, parades of bands, parades of movie and TV stars, reverent parades of floats showing the Life of Christ.

Miles of living Christmas trees will be lighted up. Marine Yule trees will float upon the bay. There will be pageants, tableaux, and an entire street will be fashioned into Bethlehem.

The All-Year Club, community tourist advertising organization, reports that this area's unique holiday celebrations are of great interest to the visitors from other states who spend \$644,754,000 here this past year.

MAKE-UP ARTISTS from movie studios in the San Fernando Valley do a realistic job of making up over 100 religious characters who ride the church floats in the Bethlehem Star Parade in Van Nuys at 7:30 p.m., on Dec. 5.

Episodes in the Life of Christ are also depicted in floats of the parade at Lancaster in the Antelope Valley, Dec. 12.

Talented church members fashion the Nativity floats in the Pageant of Faith held at Corona at 7 p.m. on Dec. 11, followed by a combined church choir concert on the city hall steps.

OVER 100 STARS will appear in the annual parade opening Hollywood Boulevard as Santa Claus Lane at 7:30 p.m. on Nov. 25.

Children of the stars will be featured along with their parents in the Huntington Park Christmas Lane parade at 7 p.m. on Dec. 5. The parade, billed as the biggest Christmas parade in California, will be four miles long.

Movie and television stars also will participate in the 26th year of the unique Toyland Parade on Dec. 6 at North Park in San Diego. There will be 35 floats, 25 bands.

HUNTINGTON Beach's parade at 7 p.m. on Dec. 4 is a Musical Salute to Santa Claus, played by 50 marching bands in bright uniforms, interspersed by Christmas floats.

Santa takes to a motorboat to lead the unique water parade of light-decorated boats interspersed by barges of carollers at Naples in Long Beach the nights of Dec. 19 and 20. From the Naples canal the parade winds out onto Alamitos Bay where the boys are lighted, floating Christmas trees.

La Jolla's parade will be Dec. 4 with floats, candy and balloons, proceeding to the town center where Santa lights up the community tree.

THE SAME DAY he comes to snow-less El Centro in Imperial Valley by 100-year-old stagecoach once used by Billy the Kid. Black-uniformed Los Vigilante riders police the parade.

The theme of Bell Gardens' parade on Nov. 27 is "Christmas Spirit." Compton's theme for Dec. 5 is "Joy to the World." Vista chose "A Christmas Gift" for its theme Dec. 12.

Altadena's famous Mile of Christmas Trees, the giant cedars along Santa Rosa Avenue, first decorated in 1920, will be lighted up again from Christmas Eve through New Year's Eve.

A HUGE TREE will be cut in the Inyo-Mono forest and brought into Bishop for the annual Good-fellows Club program. For the 47th year, the club will take children by motorized train to the airport for a flying Santa who then rides back to the tree and hands out presents on Christmas Day.

Lights are strung on the graceful trees for three miles along Euclid Avenue at Ontario from Nov. 28 to Jan. 1 and there are life-size Christmas scenes in the downtown area.

Glendale turns on its famous "Tunnel of Lights" for a half mile along Brand Blvd. from Nov. 27 to Jan. 1.

ALTADENA fashions a "Story book lane" of lighted cut-outs of nursery rhymes at West Calaveras and La Fiesta Streets from Dec. 21 to 31.

Fourteen lighted shadow boxes with life-size tableaux depicting events in the Life of Christ are set up in Palisades Park at Santa Monica where they were viewed by 1,000,000 last year.
